In the event of any account remaining unpaid after its due date for payment, then payment for all goods delivered at any time by the Seller (including goods delivered after those to which the unpaid account relates) shall forthwith become due.

bIn the event of goods not being paid for within the due date the Buyer shall pay interest to the Seller at 2% per month on the outstanding balance from the due date until payment is made in full.

cThe Buyers will pay at the due date to the Sellers all Value Added Tax charged in respect of any sale hereunder.

dThe Buyers will discharge and indemnify the Sellers against any warehouse charges, demurrage or other like cost or expense incurred in relation to any goods sold by the Sellers to the Buyers on which delivery is not accepted when first available.

6 Delivery

aGoods stated as ex stock are subject to prior sale.

bDeliveries stated for goods not in stock are given in good faith based on current knowledge, but are not guaranteed, being outside the Sellers control. 12 Force Majeure

In the case of stoppage at the Sellers plant resulting from fire, breakdowns, lockouts, explosions, strikes, force majeure or any cause outside the control of the Seller, deliveries against any order may be suspended by the duration of stoppage, and the Seller shall be under no liability by any reason of any such suspended deliveries. The Seller shall have the right to deliver to the buyer any portion of any order remaining undelivered as a result of suspension of deliveries. The Seller shall have the right to deliver to the buyer any portion of any order remaining undelivered as a result of suspension of deliveries as soon as circumstances permit.

bSo long as the property in the goods remains vested in the Sellers, they shall be at liberty at any time to retake possession thereof and for that purpose to enter upon any premises of the Buyers.

cNotwithstanding that the property has not passed to the Buyers, the Buyers may be at liberty to resell the goods but any such re-sale shall be deemed to be for the account of the Sellers and any proceeds thereof, whether received from the sub-buyer or from any assignee of the debt due from sub-buyer shall be held by the Buyers on behalf of the Sellers until such time as the purchase price shall have been paid in full.
